Please write it up for this week, because the SACC meetings are of such interest we might cover it even though it is in the second week of what this report can cover. And if we don't wind up including it because of space, etc, you will either be ready for next week in advance or can just tweak it next week as needed. Thanks!

Howdy Tom,

Hayley was suggesting putting this in for next week.

Is your eMail requesting that we write it now for inclusion this week?

Sorry, sometimes eMail is confusing ☐.

Sorry – my edits are directly on the report. Do you want to add the SACC meeting that is coming up or is that for the next report?
